

ACTIVITY	Body Boarding
VENUE(S)	West Cliff Beach
HAZARDS	CONTROL MEASURES
* Car Park	✓ Brief group on safety in car parks ie Wait on grass next to vehicle
* Footpath to beach	✓ Brief group on safe walking (don't run down path) Walk as group, with leaders front and back (if possible)
* Promenade (no railings)	✓ Use nearest slipway/steps to access beach and ensure that children stay away from the edge of the promenade
* Flotsam & Jetsam	✓ Beach safety talk to include warnings of not picking up washed up materials
* Public	✓ Keep group in a marked 'safe area' and during briefing include warning to avoid members of the public. ✓ Group leaders to be vigilant of passing people
* Rocks and Cliffs	✓ Groups should be kept within the main beach area ✓ Rocks to the north and cliffs to the south (at higher tides) are to be avoided
* Shipwreck	✓ At low tides, be aware that there is debris from a shipwreck and the 'surfzone' should be set up away from this
* Rip currents	✓ To be checked with swell
* At high tides no beach available – swell breaks onto wall	✓ Avoid high spring tides
